

SALES IN 1891:

**SIX MILLION**

I knew by the smoke that so gracefully curled  
'Round the head of the smoker I saw from afar,  
He was surely at peace with all men in the world,  
Enjoying his choice Cubanola cigar.

SALES IN 1892:

**EIGHT MILLION**

## THE COMFORTING

# CUBANOLA

With its trailing clouds of glory is an always welcome friend to every one who delights in a good cigar. Its fragrant smoke-wreaths inform the expert of the choice tobacco of which it is made and even the most inexperienced smoker recognizes that it is far better than any nickel cigar he ever smoked.

- The Cubanola is a delicious After-breakfast smoke
- The Cubanola is always an After-dinner favorite . .
- The Cubanola is especially desirable after supper

It has more certain and assured points of excellence than any five-cent cigar ever sold in America.
